## Message from the Prayer Ministry Coordinator

How would you rate yourself today? Happy? Tired? Thankful for a reprieve? Having a mountaintop experience? In need of a spiritual makeover? The issue with any rating you've given yourself is that it shows an incomplete picture. What is behind your feelings, your motives, your actions? What is your driving force? Sometimes looking at the source of these ratings can find the true reason for our state of being – and humbly asking God to forgive us and take over is the solution! This can only come about by beholding our Saviour.

When we think about beholding Christ, there is no better way than spending time with Him. That's why I am so excited that you are taking the time to read God's Word, talk to Him, and listen to His voice. I want to challenge you to take the time every day to do this – start reading, praying, and listening to God at Camp Meeting, and then to keep doing it when you return home. It will dramatically change your life! If this is already a habit you have acquired, I want to challenge you to remember not only to take the time to pray and worship, but also make the time to minister to others. This is the natural outflow of spending time with Him, and through the power of the Holy Spirit, it produces abundant spiritual fruit. This is how God's work is done, for we are to shine out His light for those around us to see! (Matthew 5:14-16)

May God richly bless you as you Behold Him this  
Camp Meeting!
